

## Primus & Classic II

Primus and Classic II are state of the art bidet seats. Their sleek design and easy to use control panels give your bathroom the ultimate comfort upgrade. Now you can enjoy all the benefits of cleaning with water while you sit on a luxurious heated seat. With the simple touch of a button you control the temperature of the water, dryer and heated seat. The instant water heater means your warm water lasts longer than ever before. The massage and move features ensure that you are as clean and fresh as if you just took a shower. After you install and use your Spaloo you will be forever spoiled finding it hard to use other facilities and leave you wondering why everyone doesn't use a Spaloo.
